- A social media review shows that it is well known that PM TRUDEAU is at Harrington Lake. Some users have mentioned that the residence has two entrances and that perhaps the truckers should go there. A Twitter user commented: "I bet that place would look great with a nice convoy in front of it.". Another Twitter user commented that if they can't find a place to park to go north of Ottawa on Highway 5 and to take a left turn at Meech Lake Rd and there would be plenty of parking at the end of the road near Harrington Lake. The residence's location was found on the social media network GAB along with the GPS location. Hostile comments were found on s.37. A user wrote "SOME LONE WOLF NEEDS TO DO WHAT NEEDS TO BE DONE". No concrete plans for the convoy to travel at the site were found with the research conducted. Multiple users have made the suggestion.
